Dear Mr. Brown:

Reference is made to our letter of April 7, 2000, transmitting for signature Department of the Army Right-of-Entry for construction number DACW35-9-00-1090. The right-of-entry allows for the completion of surface and subsurface investigations to be performed by the Buffalo District Corps of Engineers.

Considerable time has elapsed and we have not received the signed right-of-entry. Please advise this office as to the current status on this action by contacting Ms. Valerie Stevenson of my real estate staff at our toll free number 1-888-694-8313.

Sincerely,

Stevenson
